- Premium Property Videos will be delivered in MP4 format via Dropbox link up to three (3) business days after filming.
- Custom Elite Property Videos will be delivered in MP4 format via Dropbox link up to five (5) business days after filming.
- Properth Productions will provide a YouTube link for any video upon request.
- All Aerial/Drone flights will be made in accordance with CASA legislative requirements and the overall safety of the operator and the equipment.
- Aerial Photography will be delivered up to 24 hours after filming in Print and Web resolution if required.
- Aerial Photography includes one (1) block overlay image with dimensions supplied by client and up to four (4) location pin-points total at no extra charge. Additional pin-points will incur a \$22 charge per pin-point.
- Aerial Videography includes Aerial Photography at no extra charge.
- Property Photography will be delivered to client one (1) business day after completion of the shoot in Print Res & Web Res format via Dropbox link.
- Quotes for non-property video or photography related products have been based on all information provided to Properth Productions in relation to the scope of work and intended use of final product(s) and licensing. Any additional information or alterations after quoting may incur additional costs. Delivery times will be mutually agreed upon with prior to commencement of project.
- Client is aware that the chosen location may have adverse effects on the final production including wind, rain & noise. Properth Productions will provide suggestions upon request.
- Public Holiday and/or Weekend work may incur a surcharge.
- Client will have one (1) opportunity to review final products. Any further changes may incur additional editing charges.
- Client product charges incorporate licensing fees dependent on the intended use advised to Properth Productions and therefore owns all of the rights to display the products delivered by Properth Productions for the intended specified use only.
- Properth Productions retains ownership to all final product as well as raw video and photography files - if completed by Properth Productions unless agreed upon prior to commencement of project.
- Properth Productions must be advised by potential new clients in relation to previous productions if they wish to use for their own promotion and NOT BEFORE advice and authorization has been given by Properth Productions.
- If the client or any associate or customer of the client is found to be using any imagery beyond its intended use as advised to Properth Productions, additional licensing fees WILL be incurred and charged to the client.
- The client agrees to allow Properth Productions to use any imagery obtained for promotional and marketing purposes by Properth Productions, but NOT before the client has published the delivered product. References will be made back to the client and will be acknowledged with their brand, services and/or product.
